

**GLOBAL REFINERY MANDATE &
PETROLEUM SUPPLY CONSULTANT**

www.fmzpetronex.com

EXECUTIVE SUMMARY

FMZ Petronex is a global petroleum supply, refinery-mandate, and buyer-consulting firm specialising in connecting qualified buyers directly to verified refineries and tank farms worldwide.

With active relationships across the Middle East, and Europe, we deliver refinery-direct offers, structured workflows, and compliance-driven execution.

Our mission is to bring credibility, structure, and engineering-level precision to the global refined-fuel supply chain.

ABOUT FMZ PETRONEX

FMZ Petronex operates at the intersection of refinery representation, petroleum supply, and buyer advisory services.

We support global buyers in sourcing:

- Jet A1
- JP54
- Diesel
 - EN590
 - D2
 - D6
- High Speed Diesel Euro 4 Grade
- AGO
- LNG & LPG
- Urea
- Sulfur
- Other petroleum products

We work exclusively with serious buyers, buyer mandates, and professional broker chains, ensuring all transactions follow a compliant, transparent, and refinery-aligned workflow.

OUR ROLE AS REFINERY MANDATE

Presenting refinery-verified
SCOs and procedures

Managing buyer
documentation (ICPO,
TSA, CPA)

Facilitating direct
communication between
refinery and buyer

Protecting the integrity of
the supply chain

BUYER & BROKER FACILITATION

We support:

- Buyer
- Brokers
- Corporate procurement teams
- Energy trading firms

Our facilitation includes:

- Buyer readiness verification
- Documentation alignment
- Refinery procedure guidance
- Communication management
- Deal structuring and negotiation support

We ensure all parties follow a **professional, compliant,** and **efficient workflow.**

CONSULTING SERVICES

FMZ Petronex provides advisory services to buyers seeking:

- Guidance on refinery procedures
- Understanding of global fuel standards
- Deal structuring
- Risk mitigation
- Market insights
- Sourcing strategies

Our consulting approach is **technical, standards-driven**, and **documentation-focused**.
